### **Camp Jubilee – Assistant Coordinator (Camp Administration)**

For the upcoming 2022 season we are hoping to have a strong group of assistant coordinators who will be responsible for working with the Program Coordinator to administer a specific section of the camp operation. Assistant Coordinators will ideally spend approximately half of their work week hosting a group on site and tending to their coordinating duties, and spend the other half in program leading activities.

Camp Jubilee has a wide variety of paperwork and administration that is required to be completed across our departments and operations. The main responsibility of the Assistant Coordinator (Camp Administration) will be to work with other coordinators on site to ensure that all required paperwork is being completed and submitted on time and in the correct way. This role will require the ability to be extremely organized as the types of administration, information required, and form of submission will vary greatly. Additionally, this position requires someone who will excel in communicating and liaising with the other team members at Camp Jubilee.

During the working season there will be administration duties assigned to all departments at Camp Jubilee. The role of the Assistant Coordinator will be to work with these departments to ensure that this administration is being completed. During the busy day to day operation of Camp Jubilee it can be difficult to complete camp administration and it will be the responsibility of the Assistant Coordinator to help keep everybody on track. This may include creating an administration plan, using Slack functionality to organize administration, reminding team members of missing paperwork etc..

Examples of camp administration that need completing are: High Ropes and Rock Climbing logs, first aid forms, staff evaluations, and camp cleaning documents.

The duties of this role will be performed while hosting a group on site. Each group that comes to Camp Jubilee is assigned a host to be their primary point of contact with the camp staff and to keep their itinerary organized and on track. The host will typically be with their group for a Monday-Wednesday or Wednesday-Friday booking. During those days hosts will usually have 4-5 hours of administration time while the guests are at their activities.

During most weeks the Assistant Coordinator will instruct activities on the days which they are not hosting a group.
